

Clinic Instructors and Coaches

This list is provided to help you find qualified instructors for the learning portion of your Junior Olympic Sailing Festival. These people have experience teaching at the highest-level advanced racing clinics. Some have been through US SAILING instructor training courses and some have not. This list is by no means complete. Use your local coaches, too.

If an instructor cannot teach your clinic, ask them to recommend someone else. *Good clinic instructors are in high demand for the summer; there are many opportunities for them to teach. Make them an offer they can't refuse! Expect to make several phone calls before getting the instructor(s) you want.* These people book up early - so **start early**.
